At the Board of Equalization (BOE), we know running a new business can be challenging. We are here to help you by offering our free Taxpayer Educational Consultation Program, designed to help you understand the sales and use tax reporting requirements for your business.

The Taxpayer Educational Consultation Program allows you to have an experienced BOE consultant come to your business to:

- Review your business operations, recordkeeping, and tax preparation systems
- Show you methods to correctly file your sales and use tax returns
- Answer your questions about sales and use tax and the BOE

To be eligible for the program, you must meet the following criteria:

- Be in business for less than a year
